Note: Any instance of a negative number of cases or deaths reflects a correction to previous reporting.

Note: Percentages may not add up to 100% due to rounding. Breakdown of deaths is a subset of total deaths as reported by local law enforcement.
Priority Testing for Vulnerable Populations

https://www.cdph.ca.gov/Programs/CHCQ/LCP/Pages/AFL-20-44.aspx

CDPH State Lab Testing Guidance 4/20

All Facilities Letter (AFL) Summary

• This AFL informa health facilities of the availability of both Polymerise Chain Reaction (PCR) and serology testing for COVID-19 across California hospital, academic, commercial, and public health laboratories.

• This interim guidance supports the local public health department, health care providers, and laboratories in determining prioritization of specific groups for PCR molecular testing

• CONTACTS at CONGREGATE/CORRECTIONAL SETTINGS

Priority 1:
Hospitalized patients
Symptomatic healthcare workers

Persons identified for testing by public health contact investigations and disease control activities in high risk settings, including both residents and staff

E.g., congregate living facilities, correctional facilities

Priority 2:
Screening of asymptomatic residents of congregate living facilities prior to admission or re-admission to congregate living facility

E.g., a hospitalized patient will be screened for COVID-19 prior to discharge to a congregate living facility

Screening of asymptomatic healthcare workers

E.g., skilled nursing facility workers, hospital workers

Symptomatic persons in essential health and public safety occupations

E.g., first responders, law enforcement, congregate living facility workers

Symptomatic persons >65 years of age or with chronic medical conditions

Priority 3:
Symptomatic persons in essential infrastructure occupations

E.g., utility workers, food supply workers, other public employees

Priority 4:
Community-based testing of all low-risk symptomatic persons

Surveillance testing of asymptomatic persons
Testing in the Rural Areas

Limited number of testing kits – conducting surveillance testing in rural areas of Fresno County

- Partnership with Adventist Health, Valley Health Team – Mobile Testing
  - Selma, Reedley, Orange Cove, Caruthers, & Firebaugh
Health Department Messages

• Avoiding gatherings such as birthday parties or BBQs between families from separate households.
  • Department working with schools and city managers in the rural areas to get a message out about this.
  • Flyer coming about this issue
• Additional Flyers coming for - Pregnant women, Cinco De Mayo, Mothers Day
Follow up from April 16th CBO Call

• Q - Once a positive person has been cleared, can that person get the virus again or is that person considered immune? Ex: Nursing home resident or jail inmate. Is it safe to go back to general population? Any special protocol?
  • It is still not clear if you have long term immunity after you have been infected. Antibody testing should help confirm.
  • After entering in a congregate setting, such as the jail or nursing homes, screening, if symptomatic, test is conducted, the person then goes to a “warm zone” while waiting for test results. If positive, put into isolation and begin contact tracing.

• Q – Is DPH tracking and/or testing in nursing homes?
  • Skilled nursing facilities (SNF) required to report positive cases to state
  • Ongoing communication with SNF, assisted living, senior living sites
  • Looking at conducting surveillance with SNFs
  • Looking at building capacity for testing with SNFs by connecting them with local Medicare Medical providers who can provide testing
Health Department Announcements

Town Hall in partnership with UCSF and Health Department
• Friday, April 24, 2020
• 4:00pm on Facebook

Fresno County selected by California Department of Public Health to one of 15 sites to increase testing
• 100 Tests daily
• Sign up online or call the health department to schedule
• More information to come

K-12 Education Update

Facilitated by

Jim Yovino,
Fresno County Superintendent of Schools
fcoe.org
http://unifiedathome.fcoe.org/

We know that the COVID-19 crisis is difficult and overwhelming. During this time, learning is going to look different in each household – and that’s okay. These resources are here not only to help facilitate learning at home, but to offer you and your family as much support as possible. We are making every effort to stay unified at home. If you need help, please contact your school district.

Distance Learning Resources

The Education Services Department at FCSS has assembled these digital learning resources for educators, parents, and students in response to the COVID-19 pandemic. This website will be used to share resources from each of the departments including VAPA, STEM, Library Services, ITS and ELA/ELD/HSS. Together we will continue to support the social-emotional wellness and education of each and every child in Fresno County!
Parents: the Child’s First Teacher

Fresno Parent Perspective in the time of COVID

Families are navigating the challenge of continuing education in the home; Districts and communities face the challenge of mitigating savage inequities amplified by the pandemic.
Community Organizing in the “New Normal”
The short term and long term consequences of the lack of instruction will prove to disproportionately affect my children given that they belong to already vulnerable groups (low income, minority, English language learner). As a single mother I have to continue to work to meet my children's most basic needs and now the burden of acting as a teacher.

-Carmen Zamora
I have four children that are students of Edison, Fulton and Columbia. I also have a son with special needs. I am aware that my children are not the only ones that are losing crucial instruction but majority of students of Fresno Unified. I ask myself how are the district & teachers going to help our children receive an education from home so that students’ academic level doesn’t decrease?

-Dalia Arenas
I would like to request that teachers have instructional connection with each of their students, either teacher-student/one-on-one, or in small groups through video conferences, phone calls, texts or email. I also ask that when this instruction is given it is based on the needs of the student and that this is long term instruction.

-Juana Iris Meza
I would like to request to have our students to see their teachers through zoom, email them to check up on their students or work with them in small groups through zoom. The more resources that our children have the more are going to be ready when they go back to school. Hopefully soon our FUSD have their laptops and tablets so we all can be ready to work with our students.

-Octaviana Gonzalez
### Increased Expectations: Parents Take the Lead/ Districts Pursue Equity

<table>
<thead>
<tr>
<th>Parents</th>

Neighborhood resource councils:

- Prevention and intervention services to children and families in nine neighborhoods in Fresno County. Officially funded by Senate Bill 436.
- Agencies include: Exceptional Parents Unlimited, Comprehensive Youth Services (including Reedley, Sanger, Selma), Clovis Unified School District, West Fresno Family Resource Center, Centro la Familia (Kerman), Westside Family Preservation Services Network.
- Services are provided directly at or through the NRC by professional staff who strive to provide quality services to families.
- Residents are encouraged to participate in and even lead activities at the NRC or belong to steering committees.
- Variety of services are available.
NRC Services available:

- Children with special needs
- Parenting classes
- Parent/Child Interactive Therapy
- Supervised Visitation
- Family Therapy
- Child Welfare Services
- Assessments
- Case Management
- Referrals & Resources
- IEP Prep
- Parent to Parent programs
- Victim Assistance Services
- Health Insurance Enrollment
- Volunteer opportunities
- CalFresh/WIC
- So many more!!
State Center Community College District:

- State Center Community College District
  - Clovis Community College, Fresno City College, Reedley College, Madera Center and Oakhurst Center
  - Open 100 % online

- Important information sent out consistently
  - All can be checked through My Portal.
    - College student email account
    - Canvas (assignment portal)
    - WebAdvisor (student information portal)
  - Students can send emails and make phone calls to all college offices, faculty and staff.

- Have questions or need help?
  - Connect with college counselors.
  - Reach out to Student Services.
  - Tutorial Center and Library.
  - Financial Aid.
  - Food Pantry.
    - Clovis Community College pantry located at Herndon Campus.
State Center Community College District:

- **Classes**
  - Spring 2020 semester will remain online for the remainder of the semester.
  - Summer 2020
    - 100% online.
  - Fall 2020
    - No decision has been made at this time.
    - Continue to check college email account, SCCCD website and college websites for updates.

- **Registration**
  - Summer 2020
    - Continuing students April 15th and 16th.
    - High school seniors May 14th and 15th.
    - General public May 18th.
  - Fall 2020
    - Continuing students April 15th and 16th.
    - High school seniors May 19th, 21st.
    - General public June 2nd.
State Center Community College District:

- Helpful Encouragement
  - Encourage college students and high school seniors to reach out to the colleges for help.
  - Talk about setting a schedule for quiet time for studying, online lectures and study groups.
  - Limit contact, distractions with student at home to provide the opportunity for deep learning.
  - Do what you can to support and encourage the student. Sometimes an encouraging word, hug or listening is all that is needed.
