Mental Health and Wellness Team Update

- We discussed developing a map of therapists and wellness services based on health insurance and location
- We figured out that many people want social connection and a time to talk about what they are experiencing.
- We talked about the need for reflective/supportive mechanisms within organizations that address crisis situations regularly and even more in this moment.
- Team leads are:
 - Brian Semsem
 - Jason Williams
 - Kristin Beasley

Food Response Team Update

- Check out the [Fresno County Food Map](#) – up to date food site locations
- **Survey** results show that **food** is the top community need and two of the biggest challenges for CBOs is **sourcing food** and **lack of funds**.
- The team is working to **increase access** and **communication** during COVID-19.
- We want to ensure **rural communities** are served.

- Team leads are:
 - Artie Padilla (ENP)
 - Natalie Caples (Food Bank)
